Education

Department of Operational Research (University of Delhi)

Master of Operational Research

2025 – 2027

- CGPA: Pursuing

JC Bose University of Science and Technology, YMCA

B.Sc. (H) Mathematics

2021 – 2024

- CGPA: 5.75

Canal Valley Public School, Rewari, Haryana, CBSE - XII

2020 – 2021

- 81.5 %

Holy Child Public School, Rewari, Haryana, CBSE-X

2018 – 2019

- 71.4 %

Internship

Data Annotator | Singularium Technologies

Jun'26 - Present

- Data annotation, labelling, and validation of datasets for AI and Machine Learning applications.
- Data quality checks for accuracy, consistency, and compliance with project guidelines.
- Review, categorization, and organization of structured and unstructured data to support model training and evaluation.
- Collaboration with teams to maintain annotation standards, improve dataset reliability, and contribute to AI-driven solutions while demonstrating strong analytical skills, attention to detail, and data management capabilities.

Freelancer AI Data Consultant | Deccan AI Experts

Apr'26 - Present

- Designed, tested, and optimized prompts for Large Language Models (LLMs) to improve response quality, accuracy, and user experience.
- Evaluated AI-generated outputs, identified performance gaps, and refined prompts to achieve desired results.
- Assisted in data annotation, validation, and quality assurance to support AI model training and evaluation.

Operations Analyst | GiftXpert

Jan'26 - Mar'26

- Coordinated corporate gifting operations from order processing to delivery.
- Managed operational data, inventory records, and order tracking using MS Excel.
- Assisted in vendor coordination, procurement, and logistics management.
- Prepared reports and maintained operational documentation.
- Supported process improvements to enhance operational efficiency and timely fulfilment.

Projects

Topic- Paisa Bazaar Banking Fraud Analysis

Tool Used- Python, SQL, Pandas, NumPy, Seaborn, Plotly, Microsoft Excel, Data Cleaning, Exploratory Data Analysis, Data Visualization, Statistical Analysis, Financial Data Analysis, Fraud Detection, Risk Analysis.

- Conducted Exploratory Data Analysis on financial data, cleaning records by handling missing values & outliers.
- Analyzed financial metrics with advanced visualizations (Seaborn, Plotly) to identify fraud and risk patterns.
- Developed a rule-based system to flag high-risk accounts based on credit usage and debt-to-income anomalies.
- Translated analysis into actionable insights, delivering a risk-flagging system for early default detection.

Topic- Retail Sales Analysis

Tool Used- SQL, Microsoft Excel, Power BI, Data Analysis, EDA, Data Cleaning, Data Visualization, Sales Analytics, Customer Segmentation, Trend Analysis, Business Intelligence, KPI Analysis, Report Generation.

- Created and managed a retail sales database to organize sales information effectively.
- Analysed customer demographics and purchasing patterns to uncover insights.
- Identified sales trends, top-selling products, and high-value transactions for better decision-making.
- Prepared comprehensive reports on sales performance and product popularity for management.

Topic- Portfolio Website

Tool Used - HTML, CSS, GitHubPages

- Designed and developed a responsive portfolio website to showcase projects, skills, and contact methods.
- Implemented semantic HTML, CSS.
- Deployed the portfolio website on GitHub Pages, providing a live, publicly accessible link to showcase projects and skills.

Technical Skills

Languages: Python, R, C, C++, HTML, CSS

Databases: SQL, Relational Database

Libraries: Pandas, NumPy, Matplotlib, Scikit-Learn

Software & Tools: Power BI, Microsoft Excel, VS Code, Microsoft PowerPoint

Core Concepts: Statistics, Supply Chain Management, Data Analysis

Positions of Responsibility

- **Core Member – Anti-Ragging Committee (Student Council)**
Institution – JC Bose University of Science and Technology, YMCA
- **Core Member – Women Cell**
Institution – JC Bose University of Science and Technology, YMCA
- **Student Coordinator – National Service Scheme (NSS)**
Institution – JC Bose University of Science and Technology, YMCA

Academic & Extra-Curricular Achievements

- Participated in **State-Level Speed Skating Championship**
- **Social Warrior Award (2023)** – Honored by the District Red Cross Society, Faridabad for outstanding contribution to community service and social welfare initiatives.
- **National Service Scheme (NSS) Volunteer** – Actively participated in community service, awareness campaigns, cleanliness drives, blood donation initiatives, and social welfare activities, demonstrating leadership, teamwork, and social responsibility.
